Officer's Reports:

Chair –

- Pacific will host the Western Gold Sectional Committee meeting on Sunday, April 15. The agenda will include a discussion of the Spring Sectional Meet and proposals for the 2008 meets.

- USA-S has notified the LSCs of a change to the depth requirement for the teaching of race starts – required depth has been increased from 5’ to 6’, **effective immediately**.
- USA-S accounting procedures have been changed. To qualify for fraud insurance, disbursements exceeding \$ 5000 now require two signatures; at least one must be other than the person responsible for the monthly account balance. Anyone with an expenditure exceeding \$5000 should plan ahead as reimbursement will now be delayed.
- SoCal will not attend the 2007 Western Zone meet in Farmington, NM. They are tentatively planning an alternative meet, a “North American Age Group Championships” meet to which they will invite Canada and Mexico, and they hope that Pacific will also participate. They will use their WZ qual times as the entry standard.

Admin. Vice Chair - a new, standard format for meet sheets is being developed . Many of the forms currently included in the meet package posted to the Meet Director will be sent directly to the Meet Referee by email, or the forms may be available on the website and an email could include the links to the appropriate forms.

- 0702-GC1 M/S/Carried (G. Cleveland, J. Lanphere) Pacific shall provide funding to the Oakland Community Pools Project for 2007 in the amount of \$10,000 , with the understanding that this is expected to be “seed” money to assist in the establishment of an independent, ongoing program.
