

2018 January 10 Chair Report

Meet hosts should be sure to get their athlete registration files submitted for checking by Pacific on time. There are seriously increasing penalties for each day late starting at \$100 and going up to \$800. If you haven't sent it in before the meet starts, you cannot host a sanctioned meet in the next season.

The related motion on getting deck registrations sent in has been deferred to the Executive Committee so that the wording can be clarified. The proposal is to not allow you to host a meet for 6 months if you don't get those forms and fees sent within 14 days of the meet.

Pacific formed a task force to oversee distribution of \$50,000 set aside for the clubs affected by the fires up north.

Howie Chang from SCSC has been appointed as the Z1S Age Group rep.
