

Here are some of the items that the scheduling chair sent to the senior committee:

- The major change is that I would like to propose to eliminate the Senior Circuit meet and change it to Senior 2 P/F meet. There just does not seem to be able to attract enough "faster" swimmers to support a "premier" Senior meet. This is 3 years in a row that we changed the entry times to that of a Senior 2 because of low entries.

- We set the Senior meets in the Fall to be 16 lanes to accommodate the extra swimmers. Other than the OAPB meet, the other venues were only 10 lanes and the meets entries were closed and not all swimmers could get in. The OAPB meet has an entry capped constraint that was an error in the meet set up. We could have accepted another 100-150 swimmers. I would like to list these Senior meets in the Fall listed as 16 lanes desired, but if no venue with 16 lanes bid for these meets, we will accept a smaller venue rather than no meet at all.

- I would like to have the summer Senior P/F meet on a separate weekend from the JO meet. We are experiencing low turnout of officials especially when most of the meets are held in Zone 2 with competing Zone meets either on the same weekend or back to back weekend.

Our biggest challenge is getting teams to host senior meets. Many senior coaches have lots of thoughts on wanting new meets or better venues, but the fact of the matter is that we have a hard time getting teams to host the current meets that we have (or getting them to host replacement meets).
