

Zone 1 South Chair Report
Wednesday, March 13, 2019

1. The zone held an extremely successful championship meet. Great participation, great organization with some old problems. We still need to solve officials issues and team scoring issues.
2. We need to replace our Vice Chair. Gary Arita has moved and can no longer hold this position. Vice Chair is also the zone webmaster. Thank you, Gary, for all that you have done for the zone and for swimming and swimmers!
3. We need to replace our age group chair. Howie Chang is leaving SCSC and looking for new professional opportunities. This can be anyone, but preferably an age group coach. The position should help with scheduling and ZAM, among other duties.
4. Pacific's governance committee has been working for months to revised the PAC swim bylaws. New, proposed bylaws should go to the Board at the end of the month and then to HOD for approval before submitting them to USA Swimming by January 2020.
5. Reminder that Oregon does not allow tech suits for AG swimmers. Western Zones is being hosted by Oregon Swimming in August.
6. Zone 1 South needs a Safe Sport Rep to work with the LSC Safe Sport rep. Any volunteers?
7. Pacific Swimming's BOD is looking for potential candidates for Board positions ASAP. Any recommendations?
8. Zone 1 South was third in the most recent ZAM in Sunnyvale. We need to get some early commitments for next year since we are the host. There were very few teams who helped on this year's team. Thanks to SCSC and QSS for providing coaches/managers. Next year will also be the same weekend as Race to JOs.

I'm sure there is more. Good luck to all the Zone 1 South swimmers in the championship meets that are coming up.

Mark Taliaferro
Zone 1 South Chair
