 Job Set-Up: \$60, \$15 per additional version

## generalinfo

We focus on event passes, custom lanyards, luggage tags and bag tags. Commitment to our process drives beautiful and cost effective production: great product, great price, great service. This is what we do.

## process&turnaround

Standard tag orders are delivered with 9 working days of design approval. Custom lanyard orders are delivered within 3-4 weeks. To order, follow these steps:

- 1 Request and approve a quote
- 2 Submit art, review and finalize design
- 3 Receive order within 9 working days

Need your order in a hurry? 24-hour processing available. Contact your service rep for rush order details and options.

## artworkguidelines

When submitting vector artwork, please outline the text or include font files with submission. We accept the following formats for artwork submission. Please contact our design staff with any art-related questions. Main office 847.424.1900 or [art@bagtagsinc.com](mailto:art@bagtagsinc.com)

- ➔ Vector (Illustrator, EPS)
- ➔ Indesign, Photoshop
- ➔ High Resolution JPEGs and TIFFs (300 dpi)
