Questions for the Board / Larger Group: It was suggested the policy for Senior 1 “qualifying” regarding any 13-up swimmer being able to “declare” qualifying times be adjusted to those swimmers only being able to “declare” one event per day. This adjustment could open additional spots before capping out swimmers who actually have qualifying cuts.

Notes/ Other: There is interest building to have a more exciting Senior Trials and Finals Meet in December and July that doesn't close early. It would be great to find a local in-door facility in December-like Pacifica or Daly City??
