

Motion 1909MR to change Section V.A.2c(1) and add change Section V.A.5 as shown

Reasoning: The change expands who the General Chair may select to receive full funding. I have been asked if “Early Bird” and other seat selection fees are reimbursable if they do not exceed the determined transportation amount. I have been uncomfortable making this decision without input from the BOD as this sort of fee may be considered a convenience fee and not necessary

Our General Chair asks if these changes can be retroactively.
