

### **Motion 2408SR01 - Open Water Meet Support**

**The Senior Committee moves to provide a one-time subsidy to NNA in the amount of \$3,092 to assist with hosting expenses for the Donner Dipper. Funding to come from 52040 Open Water Program and 52095 Sectionals.**

**Purpose:** Pacific Swimming is hoping to host additional Open Water events. This is the first in several years and we'd like to ensure that this first event breaks even. The amount will cover the following expenses: \$1700 permit, \$800 travel for officials (\$200 x 4) and \$592 for equipment (buoys, rope, anchors, arch, extension cords).
