

The “Professional” Starter -or- It’s more than three short words!

The “Professional” Starter should:

- **Know the Rules** and the protocols, procedures, and philosophies for being a successful starter
- **Be on time for each session and officials’ briefing, dressed appropriately in a professional manner**
- **Be flexible and adaptable to all procedures made by the Meet Referee or Head Starter that may differ from the suggested guidelines offered in this document**
- **Confirm assignments, rotations, and invigilating schedule with the Head Starter:**
 - Be aware how heats will run – fly-overs, cleared pool, flighting, or events or heats alternating by gender
 - Confirm the meet procedures for Starters that may include additional responsibilities, including:
 - timer instruction - be aware of timing system (number of buttons and watches or cameras) and provide instruction to timers at the designated time established by meet director
 - a rotation involving stroke or turn judging, taking order-of-finish, distance counting, ringing the bell for the lead swimmer in a distance heat, relay take-off judging or head timer responsibilities
 - Be aware of swimmers with disabilities who may require special starting accommodations and know the rules and procedures
- **Confirm meet protocol and procedures for the Starter-Deck Referee (DR) teams and with the individual Deck Referees with whom you are teamed:**
 - Work as a team with the Deck Referees and Chief Judges
 - Be aware when jurisdiction will be turned over to Starter, indicated by Deck Referee’s out-stretched arm
 - Confirm how to make Deck Referees aware of next-up swimmers behind the blocks affected by suit malfunctions, cap or goggle issues or unexpected empty lanes
- **Pre-Meet and Pre-Session:**
 - Become familiar with the starting system by checking the equipment during the session warm-up period
 - There are a variety of microphones in use. Practice with the mic during warm-ups to feel comfortable with the device
 - Omega microphones display a green light when the timing system is ready for the next start. When outdoors, confirm you can clearly see the green light and be prepared to notify the DR when the green light has not been displayed
 - Check your voice level in the microphone with another Starter monitoring the audio level in all lane speakers
 - After confirming with the equipment staff, perform a test start to get a feel for how sensitive the starting button may be
 - Find your optimum deck positions for both forward and back starts so that all swimmers can be clearly and individually viewed
 - Find out where the Deck Referee will stand adjacent to your position. Ask him or her to extend their arm so that it can be seen in your peripheral vision, without blocking your view of the swimmers. Make sure you and the DR are standing close enough that you can converse quietly. It may be about swimmer issues, green lights, step down requests, etc.
 - Be prepared with a master starter heat sheet if you have been asked to use one for marking all false starts, no shows, declared false starts, and any other notes. Also acquire an OOF (Order Of Finish) heat sheet, if the meet’s procedures call for the off-duty starter to take OOF
- **During the Start:**
 - Assume your deck position to start the upcoming heat prior to the finish of the current heat. In some cases, the previous event’s results are scrolled on the scoreboard, allowing for a bit more time to take position
 - Your body language should convey that you are relaxed and confident
 - On the long whistle (second long whistle for the back start), have the microphone in a “ready” position
 - Secure the cord by holding it with your free hand
 - When all swimmers have stepped on the blocks the Deck Referee will turn over jurisdiction to the Starter

The “Professional” Starter -or- It’s more than three short words!

- Be patient when allowing all swimmers to assume the position on the blocks they want to use for the start. Watch to see their feet are in the final chosen position. The swimmers will then show you when they’re ready to hear the “Take Your Mark” instruction
 - If “track style” starting platforms are used, swimmers may require a bit more time to assume their position
 - If “backstroke ledges” are used, ensure at least one toe from each foot is in direct contact with the end wall or timing pad prior to the start, but not curled over the top of the pad, gutter or end wall or above them
- Deliver the “Take Your Mark” instruction in a calm, conversational tone that’s loud enough for the swimmers to hear over any possible crowd noise, but not so loud the instruction sounds like a shouted command. Use a cadence that is inviting with a slight falling in pitch
- Swimmers start the heats – not the starter! Be patient - the swimmers will show you through their body language when they are ready to hear “Take Your Mark” and for the starting signal
- When that “sweet spot” moment is achieved, and the swimmers are stationary, push the starting button
- After the start be ready to take the mic in the event the heat needs to be recalled
- The microphone should be to a position where it can’t be bumped, and the cord isn’t in a traffic zone that could cause tripping
- Step out of the starting area to allow more room for Deck Referee, Chief Judge and Stroke Judge
 - Avoid conversing with the DR unless it involves a possible false start or another timely matter
- Using the Starter’s heat sheet, confirm the next heat’s swimmers are reporting to the assigned lanes. Note on the heat sheet any “no shows”, “declared false starts”, false starts or other matters for which there should be a record
- Begin preparations to start the next heat
- **Use the False Start Protocol:**
 - Remember the definition of a false start: *Any swimmer **starting** before the starting signal is given, shall be disqualified if the Referee independently observes and confirms the Starter’s observation that a false start occurred.*
 - After the start and the microphone is replaced, calmly mark the Starter heat sheet to indicate which heat and lane the false start was observed. Double-check that mark for accuracy of heat and lane
 - Any mark can be used as long as the Deck Referee can tell a particular heat and lane has been indicated, whether it’s circling the lane number, underlining the lane number and name, placing a visible dot next to the lane, etc.
 - Show the marked heat sheet to the Deck Referee and implement the procedure discussed prior to the start of the meet. It should include pointing out the heat and lane, as well as verbally indicating a false start was observed. The Deck Referee should also show the Starter his/her marked heat sheet as confirmation of a false start. Under no circumstance should a false start confirmation be based solely on a discussion.
 - When a Chief Judge is available, they will fill out the disqualification form and hand it to the Starter for signature. Double check the event, heat, lane and, possibly the name and team, have been correctly noted and the false start box was checked before signing and handing the form back to the Chief Judge
 - When a Chief Judge is not available, the Starter completes and signs the disqualification form before handing it to the Referee for final sign-off
 - If necessary, note any peculiarities to the false start on the heat sheet for later reference; possibly when advising a coach or swimmer of the observed action
 - Don’t hesitate to use the recall option if you feel an external noise (ex. coach’s whistle) or motion (activity around the starting blocks) has interfered with a swimmer’s ability to achieve a fair start
- **When Using Other Commands;**
 - To address the athletes with the microphone, refer to the swimmers as “Ladies” and “Gentlemen”
 - Remember to use “Please” and “Thank you”

The “Professional” Starter -or- It’s more than three short words!

- If it is necessary to stand the field after the TYM instruction, for both forward and back starts, say, “Stand please”
- If the Deck Referee asks for the swimmers to step off the blocks, say, “Ladies (Gentlemen), step down carefully please”
- The Deck Ref may request you clear pool by saying “Thank you Ladies/Gentlemen.” If more instruction is needed, say, “Ladies/Gentlemen, please clear the pool”
- Use of the “Relax please Ladies/Gentlemen” instruction means it will be a prolonged period before the starting sequence will begin. The “Relax” instruction should not be used in place of a “Stand Please” instruction for backstroke starts
- If a swimmer’s toes are curled over the top of the pad, or not in contact with the pad when ledges are used prior to the start of the backstroke, address the swimmer by saying, “Lane 7, toes please”
